

The image is a detailed architectural site plan for the Calamizzi area. It features a complex network of green lines representing a proposed urban structure, overlaid on a black-and-white architectural drawing of buildings and streets. A prominent red line runs diagonally across the site, while a blue dashed line follows a different path. A purple line curves along the left side. A red square in the top left corner contains a wavy red line pattern, with a red line connecting it to a specific area on the plan. A cyan hatched rectangular area is located in the middle-right section. The plan includes various numerical annotations such as '0:08', '1.61', '0.95', '0.68', '3.33', '3.65', '2.62', and '3.67'.
